Prices exclude VAT and delivery (normally £70 to your warehouse).

Other sizes, materials and colours available on request.

Material: 39mm Anti Bacterial Laminate top. Solid European Oak frame (58mm). We fix the legs to the top with hinges. All you need to do is to simply bolt the angled support struts into position using a hex allen key (bolts supplied).

Finish: Frame: Matt clear AC lacquer conforming to BS 6250 severe use standard with silver-ion Anti Bacterial additive

Colours: For laminate colours please see above. Clear (natural Oak) frame.

Care requirements: Clean only with warm, soapy water. Do not use sanitiser sprays.

Warranty: 5 year manufacturing defects.

Sustainability: our Oak comes from sustainably managed forests and we are a carbon neutral company.
